

Adopted

Jordan Dillon | Steve Cook

Verse 1

Prone to wander and stray to sin
Squandered all and reached the end
But when I turned to You I'm welcomed in
Hallelujah I've been adopted as Your own

Verse 2

A cry for mercy a bended knee
A brief confession a minute plea
Wrung life's sorrows healed years diseased
Hallelujah I've been adopted as Your own

Chorus

O love of God how rich and pure
How measureless and strong
It shall forevermore endure
Sing hallelujah children of God

Verse 3

His arms of love still open now
Receiving all as faith allows
Taste forgiveness come now and bow
And sing hallelujah I've been adopted as Your own

Bridge

Hallelujah I call You Father
You've made me a child of God
Hallelujah I'm Yours forever
By mercy I'm welcomed home
