

Clap Your Hands

Jordan Dillon | Caleb Paxton

Verse 1

He's the King over all the earth
All the nations are at His feet
The valleys lift up their hands
And the mountains bow their knees

Verse 2

God is lifted with a shout
He is treasured with a song
All the earth lift His praise
Make a joyful noise to the Lord our God

Chorus

Clap your hands
Shout with joy
To the Lord our God we give our praise

Verse 3

To the hurt He is a shield
To the refugee a home
To the seeker a source
To the sinner salvation and lasting hope

Bridge

Sing praise
Sing praise
Let all of creation now
Lift up and praise His name

Chorus 2

Clap your hands
Shout with joy
To the Lord our God we give our praise
Lift your hands
Raise your song
To the Lord our God we give our praise
