

In The Valley I'll Sing

Felicity Dillon | Jordan Dillon

Verse 1

In the darkness, storm, or pain
There's a hope that calms all anxious fear
It's the all sufficient grace
Of the God who knows my every need

Pre-Chorus 1

Let my hope outlast the night
Let this song remind my soul to trust in Christ

Chorus 1

In the valley I'll sing "Hallelujah"
When it's all I can bring "Hallelujah"
There is power in praise
From the depths of my soul
I will shout to the storm "Hallelujah"

Verse 2

Whether peace calms every wave
Or the floods around keep rising
I'll arrive through heaven's gates
This eternal song still resounding

Bridge

Your grace is sufficient
Your grace is enough
Your grace is sufficient for all my needs (x2)
