He took the power from the grave  
Sing the name Jesus  
Sing the name Jesus

## VERSE 2

He is the love that never fails  
He is the hope that saves the day  
He took the guilt and gave us grace  
Sing the name Jesus  
Sing the name Jesus

## CHORUS 1

In Your name there is wonderful power  
In Your name there is room for the broken and whole  
Now this heart is filled with praise  
Forever I will sing the name Jesus  
Sing the name Jesus

## BRIDGE

I was buried in the grave  
When you came and made a way  
Ever since that moment life has changed  
Now this heart is filled with praise  
And forever I will sing the name Jesus  
Sing the name Jesus

## CHORUS 2

In Your name there is wonderful power  
In Your name there is grace for the battles to come  
Still this heart is filled with praise  
And forever I will sing the name Jesus  
Sing the name Jesus
