Verse 1

C D Em
Without Christ we were lost and dead
C Em D
Void of purpose and love
C D Em
Without Christ all our finest work
C Em D
Left us separate from God

Pre-Chorus

 C D Em
There was a hostile wall set between us
 C Em D
Which Christ tore down in His death
 C D Em
Now we can tread across it in freedom
 C Em D
It's broken down by His mercy and grace

Bridge *(No chords)*

There is no limit to the power of
Your love
There is no darkness that Your light
can't overcome
Every nation tribe and tongue
We are one
Let love rise as the walls fall down

Chorus

 C
Because of Jesus
D Em C
There's nothing left to separate us now
Em D C
All our hate and sin defeated
D Em C
We are one in Christ now
Em D C
Let love rise as the walls fall down

Verse 2

In Christ now we are welcomed in
Loved as daughters and sons
In Christ now we are one new race
Bound in Jesus' name
